H2 -Unique Adult Entertainment Ideas for Western New York & Surrounding Areas.

Your private event is fast approaching. Birthday party, anniversary, or 'just because.' You want it to be more than just fun. More than just memorable. You want a unique entertainment idea your guests will talk about for months after the event. Most of all, you want something interactive. A fun activity your guests will love.

Welcome to...Solve the Mystery.

Solve the Mystery specializes in creating unforgettable and interactive private party entertainment. From thrilling Victorian-era séance recreations to light-hearted murder mysteries, you'll find the perfect entertainment option for your next party.

H2 – An Adult Entertainment Track Record of Success

Entertainer & Mind Reader Cris Johnson has been entertaining at corporate events, private parties, and more for over 25 years. With clients such as General Motors, United Airlines, Bank of America, US Foodservice, Footlocker, and many more, Cris gets results.

Here's what one client said:

TESTIMONIAL

There are plenty more comments like that throughout this site. His fun and interactive programs offer a variety of unique adult private party entertainment ideas your guests will love.

H2 – In-Home Party Entertainment Ideas

Cris' unique mystery entertainment packages come in three flavors: paranormal séance recreations, light-hearted murder mystery-themed magic show, and a traditional murder mystery with a twist: your guests play the characters.

Click on the option of your choice below.

H3 – Séance Experience

During this chilling séance experience, your guests try to solve the mystery of a long-since deceased person. Different theme options and thrilling paranormal-themed fun your guests will not soon forget.

BUTTON

H3 – Murder Mystery Party

Turn your party guests into sleuths! Your guests play the part of the characters in a murder mystery and must work together to solve a murder. Fun and interactive entertainment for any party or private event.

BUTTON

H3 – Murder By Magic

A light-hearted murder mystery combined with a magic show! Your guests have never seen anything like this. One of YOUR guests is the killer! But who? Using magic and mind reading, Cris works with your group to unmask the killer.

H2 – How Do You Throw a Fun Party for Adults?

Let's face it. Left to their own devices, your party guests will, well, stick to their devices. They'll spend more time scrolling than talking. Or interacting with your other guests. The real secret to hosting a successful party? Get everyone involved.

Can You Solve the Mystery? guarantees your guests will be involved. And with different 'levels' to our choices, there is the perfect option for your event. Want something thrilling and chilling? Bring one of our unique **séance experiences** to your party.

Want something more light-hearted and comedic? "**Murder By Magic**" is filled with interactive fun, situational humor, and the big reveal of one of your guests as the killer.

What about a **complete murder mystery party**? Using deductive reasoning and amateur sleuthing, your guests will be the 'driving force' of the entire event.

Each entertainment option comes completely self-contained. Cris brings everything he needs to make your event an unforgettable success. Best of all, Cris offers special unique entertainment packages to fit different venues and numbers of guests.

H2 – The Strongest Guarantee for Private Party Entertainment

Here at Can You Solve the Mystery? we are so sure you'll love Cris' programs that he guarantees it. Here's how it works:

If, for any reason, you feel your guests did not enjoy the program, don't pay. It's that simple and strong.

But after over 25 years of performing in 39 states across the country and thousands of performances, no one has ever taken Cris up on his guarantee.

His clients love his programs. So will you.

Contact us today for more information or call Cris directly at (716) 940-8963.

TEEN SERVICES:

H1 – Thrill Your Teens With Incredible Interactive Party Entertainment Ideas

H2 – Amazing Entertainment for Teen Birthdays, Post-Proms, Graduation Parties, & More

Looking for unique and fun teen party entertainment ideas? Teenagers can be a tough group to entertain. They don't want the typical party games or activities for young children. They get bored with things they've already seen. They want fun activities to do that are interactive and even thrilling. That's our specialty.

At Solve The Mystery, we offer incredible teen party options you've never seen before. We also offer safe family-friendly alternatives to standard Las Vegas-style shows. Best of all, We're experienced.

Entertainer Cris Johnson has performed at teen events across the country. Here's what one client had to say:

TESTIMONIAL

We offer interactive entertainment in multiple styles, from comedy to amazing to frightening. Check our offerings below.

H2 – Comedy Stage Hypnosis Shows

H3 – Perfect After-Prom, Post-Prom, & Grad Party Entertainment for Teens

VIDEO

Cris Johnson's amazing hypnosis shows are fast-paced, highly interactive, and fun. Perfect for entertaining large groups of teens at once. No two shows are the same! Each show is filled with hilarious, safe fun.

Here's what happens: After a few fun demonstrations of the mind, Cris Johnson invites up to 20 teens to the stage. Using state-of-the-art and fast hypnotic induction techniques, the teen volunteers are guided into a relaxed hypnotic state.

Then the fun begins! The volunteers will see audience members changing into cats. They'll believe they are invisible. Or they're driving the sportscar of their dreams. Having a dance party. Forgetting the number "6." And much more!

Most importantly, Cris guarantees each show is safe and family-friendly. He takes steps to make sure no one says or does anything embarrassing or inappropriate. And Cris has been safety-certified by his insurance company.

H2 – CLOWN: Bizarre Magic Show

H3 – Spooky & Chilling Unique Bizarre Magic Entertainment

Give your teens a thrill ride they'll never forget! In the 1950s, England was host to a string of murders. Witnesses claim they saw a man wearing white clown makeup fleeing the scenes. But who was the man behind the makeup? Why did he do it?

Your teen audience will help solve the mystery...by attempting to contact the spirit of the deceased clown. Along the way, attendees will witness unexplained phenomena" moving objects, photographs that change, ghostly touches, and even spirit voices...recorded on their phones.

This show is intended for small groups of 12-15 teens. Multiple performances are available to accommodate larger groups. Perfect for post-prom or grad party lock-ins, birthday parties, and any event with thrill-seeking teens.

H2 – The Supernatural Show

H3 – Mind Reading & Psychic Entertainment for Teens

Criss Angel. David Blaine. Two magicians who made magic cool for young people and teens. Add Cris Johnson to that list. During this interactive magic and mind-reading show, your teen audience will question what is possible with the human mind.

Their innermost thoughts are revealed. One teen experiences a physical touch from another person...despite being separated from each other by a great distance. A creepy voodoo doll leaves its mark on the palm of one

teen. One teen predicts who the next victim of a serial killer will be. One volunteer sees a steel ball bearing grow and shrink...while holding it in their hand.

Perfect for any group size, this is interactive teen entertainment for any event.

H2 – Your Teens Will Love the Show...Guaranteed

Cris Johnson has performed for thousands of teens throughout his career. He knows what works...and what doesn't. Your teen audience will love the show, or you don't pay. It's that simple and strong.

And in over 25 years of professional entertainment, not a single client has ever taken him up on his guarantee.

Neither will you.
